

Simon Legrand

MCIM

Founder · Patent Inventor · Technology Leader

Faversham, Kent · simongorgelegrand@gmail.com · simonlegrand.co.uk · linkedin.com/in-simonlegrand-

PROFILE

Senior technology leader with 25+ years spanning UK public sector, technology co-founding, IP development, and AI-native product design. Co-founded Sunstone Systems from inception to international recognition — earning enterprise contracts with **Chevron**, **Rivian Automotive** and **Network Rail**. Listed inventor on three granted patents. Co-founder of **Assistiv Systems** (NHS preventative care, Anthropic Startups) and Founder of **Fyrfly Systems** (physical security, UK schools). Secured **£9m+** in public sector funding. MCIM Chartered Marketer. IBM Certified Cyber Security Board Lead.

ACTIVE VENTURES

Fyrfly Systems

2026 – Present

Founder & Director

- Intelligent physical security for UK schools and public sector
- Full platform built before first installation: 40+ pages, AI compliance tooling, regional SEO
- Published UK's first freely accessible Martyn's Law self-assessment tool
- DfE and KCSiE aligned · 24/7 monitoring · Martyn's Law ready

Assistiv Systems Ltd

2024 – Present

Co-Founder & Director · Anthropic Startup

- Preventative care platform for older adults in the NHS Missing Middle
- 21-signal NHS FEP scoring, district-level EPD prescribing data, live pipelines
- Clinical advisory board: Prof. Ann Netten (Exeter) · Prof. John Jerrim (UCL)
- Accepted into Anthropic Claude for Startups programme
- 14:1 ROI demonstrated at pilot scale vs residential care comparators

CAREER

PUBLIC SECTOR PROJECTS — SELECTED HIGHLIGHTS

Essex County Council / Kent County Council

2012

Secured £7m in local authority funding to design and deliver a countywide Emotional Health and Wellbeing Service for children and young people on behalf of local and national charities.

Department for Education

2009

Secured £2.1m in government funding across proposals addressing child poverty, emotional health, and supporting substance-misusing parents across Essex.

Department of Health / 16 Local Authorities

2003

Developed the Drug Use Screening Tool (DUST) — adopted as best practice by the Department of Health and used by 16 Local Authorities. Endorsed by King's College of Psychiatry.

Home Office / Home Secretary

2009

Policy Advisor on international evidence assessment and development of policy positions to tackle alcohol-related violence in the night-time economy.

Australian Research Council (ARC CEPS)

2012

Expert advisor on proposal to the Attorney General of New South Wales on identifying vulnerable communities, intelligence-led commissioning, and integrated service responses.

Medway Council / Oxfordshire / Essex Public Health

2013–14

Project Lead across multiple councils delivering the Risk-Avert programme — early intervention identifying young people before entrenched risk-taking behaviours in schools and pupil referral units.

Essex County Council & Essex CAMHS

2009

Development of the countywide Child & Adolescent Mental Health Strategy and implementation plan.

DfE / Kent County Council Pathfinder

2009

Development of school-based mental health early intervention services for children aged 5–11.
